Dedication

A forgotten pass, an inaccurate shot, or an unmade play. Then you'll hear Coach Siegferth yell, "Watch your pass! More arch! Slow down--set up your play."

With a firm hand and a friendly smile he develops agile boys into skilled men. Well-liked by his fellow teachers, his physical education students, and his basketball team members, Mr. Joseph Siegferth has been at Central for a pleasant six years.

In his first five years as head basketball coach, he compiled an enviable record of 20 losses and 115 victories. He brought additional glory to Central in the form of two city series championships, three sectional trophies in the state basketball tournament, one district trophy, and one runner-up regional trophy.

In appreciation of his hard work and service to the school, the Wildcat staff dedicates this book to Coach Siegferth.
